2nd Call for Papers

ILASS-Asia 2019 will be held on December 21 to 23, 2019 in Ube, the city of green, flowers and sculptures, to be jointly held with ILASS-Japan 2019. The conference will provide a forum for mutual exchange of information in the Asian community involved in both fundamental and application oriented research and development works on liquid atomization and spray systems.

Conference Chair Masato MIKAMI, Yamaguchi Univ.

General Information

Date: December 21-23, 2019

Venue: Yamaguchi University Tokiwa Campus (2-16-1 Tokiwadai, Ube, Yamaguchi, Japan)

Official language: English

Registration fee (early-bird rate): General 20,000JPY, Student 15,000JPY

(covers to participate in the 28th Symposium of ILASS-Japan and a banquet)

Topics

The conference focus is interdisciplinary and covers the following main topics:

- Fluid mechanics of the disintegration of liquids and the spray formation.
- Modeling of spray and flow phenomena.
- Instrumentation related to sprays for the measurement of droplet size, droplet velocity, droplet concentration, patternation, film thickness, vapor concentration, etc.
- Design, operation and performance of liquid atomizers and spray systems
- Aerosol and particulate technologies.
- Transfer processes in which liquid sprays are used, such as in spray combustion, spray reactors, spray dryers and humidifiers, spray painting /coating, agricultural sprays

Technical Sessions

The papers will be presented in parallel sessions. The presentation will be limited to 25 minutes including 10 minutes for discussion.

Paper Preparation

The organization committee of ILASS-Asia requests the submission of a 1-page abstract with about 300 words and a full paper in English. The initial screening of paper will be based on the 1-page abstract which should be single-spaced with authors' names, affiliation, email address and keywords.

Important Dates

Abstract submission	July 15, 2019
Notification of acceptance	August 2, 2019
Draft manuscript submission	September 2, 2019
Notification of acceptance	September 23, 2019
Final manuscript submission	October 21, 2019

Exhibition

Manufacturers of spray equipment, instrumentation or CFD software are invited to exhibit and demonstrate their products in an exhibit area close to the lecture rooms.
